Untitled

Chalking is a temporary form of communication, typically used for meeting callouts or immediate responses to current events. Chalking is available to registered student organizations on IUPUI's campus. This form will collect information regarding details of a meeting or event you are wanting to advertise or the general message the organization is wanting to promote. If the organization is promoting a meeting or event, it must be already registered utilizing the event submission form on The Spot. You must submit form before chalking takes place, however once it has been submitted the organization is allowed to chalk on campus. If you have any questions or concerns about your request, please email stuact@iupui.edu or call (317) 274-8477.

Chalking Guidelines:

Chalking is permitted only in open areas on horizontal surfaces, such as sidewalks, plazas, which can reasonably be expected to be reached by rain and are not covered by an overhang. Chalking

must contain name of student organization in the message.

Chalking is prohibited on the following areas:

- On exterior of buildings
- On surfaces such as walls, windows, brick surfaces, columns, terrace-retaining walls, trees, limestone, benches, or covered entry walkways into a building
- On steps or stairs attached to or leading toward any buildings
- Under any covered area, where chalk will not be washed away by rainfall
- Within 20 feet of any door or building entrance
- On private property
- Only water-soluble stick chalk (sidewalk chalk) is allowed. No spray chalk, chalk markets, paints (latex or oil based), or similar products may be used.
